**PURPOSE:** The purpose of this Office of Developmental Programs announcement is to announce the final scheduled classroom training dates for 2015 for the Medication Administration Program.

## DISCUSSION:

Temple University Harrisburg began managing the Medication Administration Program effective June 1, 2015. The following table contains details regarding the current process for accessing relevant recorded information, how to register for the courses and a current listing of the remaining training dates for 2015. **Please be aware that these will be the last training opportunities for 2015. Individuals whose certificates expire by 12/31/15 should consider enrolling if they plan to continue to maintain their credentials in the Medication Administration Program.**

**The next round of training classes are expected to be scheduled for March 2016. Dates and registration information will be released through a future ODP Announcement.**

PROGRAM FACET	NEW VENDOR TRANSITION ACTIVITIES
Website	The Medication Administration Program website, <a href="https://medsadmin.tiu11.org/cms/">https://medsadmin.tiu11.org/cms/</a> , continues to be used for information related to the program, registration for the online Train the Trainer course, completing the online coursework and classroom registration. <b>There is no change to how registration is accessed.</b>
Online Train the Trainer Coursework	The registration for the online Train the Trainer Medication Administration coursework has been re-opened and available since May 27, 2015.
Online Medication Administration Student Course	No impact. The Student Course will continue to be open and available to certified trainers and students.
Medication Administration Support Line	<b>As of June 1, 2015, the Medication Administration Program Support Line will be transitioned to Temple University Harrisburg.</b> Effective June 1, 2015, all inquiries regarding the Medication Administration Program should be made using the following phone number and e-mail address: <b>(717) 221-1630</b> ; <a href="mailto:medicationadministration@temple.edu">medicationadministration@temple.edu</a>
Recertification Extension	Approximately 932 recertification extension letters were generated and sent to individuals whose Medication Administration certification will be expiring in June 2015. The letters communicated that ODP will be extending the trainer's certification expiration date to December 31, 2015. All letters were sent as of May 14, 2015. If you have <b>not</b> received an extension letter and believe you should have, e-mail: <a href="mailto:medicationadministration@temple.edu">medicationadministration@temple.edu</a> .
Recertification Curriculum	If you are due for recertification in 2016, trainers will be required to take the online Train the Trainer coursework, testing and classroom training using the current course requirements.
Classroom Training	Registration for the classroom trainings can be found on the next page. <ul style="list-style-type: none"><li>• <b>Registrants who have already completed the online component:</b> If you have already completed the online component of the Train the Trainer curriculum, the system has a record of this. Once the registrant logs into the website, the system will prompt the registrant to schedule classroom training. After classroom training has been scheduled, the trainer candidate will receive information, via e-mail, related to the classroom training and a presentation assignment. Each trainer candidate receives a presentation assignment that he/she will present during the classroom training.</li></ul>

PROGRAM FACET	NEW VENDOR TRANSITION ACTIVITIES
	<ul style="list-style-type: none"> <li>• <b>Registrants who have <u>not</u> completed the online component:</b> Trainer candidates are required to complete the online curriculum before scheduling the classroom training. This includes completing the registration process and submitting a payment. Once a trainer candidate registers, the primary contact they entered during the registration process will be notified via e-mail. The e-mail will instruct the primary contact to confirm the trainer candidate’s registration and submit payment.</li> </ul> <p>The payment processing component of the registration process will be slightly different than in the past. The system will prompt the primary contact to click the “Pay for Course” button and redirect them to a payment area. Once in the payment area, there will be payment instructions to guide the primary contact through payment processing. The payment may take up to 24 hours to process. Once successfully processed, the primary contact will receive an e-mail response indicating that payment was successfully processed by the payment processing system. Within 24 hours of payment processing, the trainer candidate will be able to begin the online component of the Train the Trainer Medication Administration curriculum.</p> <p>Registration instructions can be found at:</p> <p><a href="https://medsadmin.tiu11.org/cms/assets/Medication-Administration-Train-the-Trainer-Registration-and-Payment-Instructions1.pdf">https://medsadmin.tiu11.org/cms/assets/Medication-Administration-Train-the-Trainer-Registration-and-Payment-Instructions1.pdf</a></p>
	<p><b>NOTE:</b></p> <ul style="list-style-type: none"> <li>• Training candidates from agencies with no certified Medication Administration staff are required to complete the online coursework before they are permitted to attend the classroom training.</li> <li>• There is a classroom capacity limit associated with the training sessions below. Once the classroom capacity has been reached, registration will be closed for that date’s training session. If registration has been closed for a particular site, you have the option to register for a different training site/session.</li> </ul>
